Four Bedroom House In Secure Estate

This lovely home consists of four bedrooms and three bathrooms, of which two are en suite, an open-plan kitchen, dining, and living area. The kitchen has marble tops, a fitted hob, and an oven. The single garage leads directly into the living area. The home is tiled throughout including the garage, which could serve as a fifth bedroom. The garden is easy to maintain, with tar from the road and around the house. There is a level patch of lawn in the front of the house. The house is surrounded by a concrete fence with electric fencing on top.
